MEDIA RELEASE

ST. CATHARINES, ON (March 9, 2010) – Gillian's Place (formerly Women's Place St. Catharines & North Niagara) celebrated International Women's Day with a bang. With over 400 guests in attendance, the 18th Annual Women in Music Concert was a huge success. The Rockin' Daisies started the concert off on the right note with BroadBand closing the show with another fantastic performance. New this year guests enjoyed an Artisan's Corner and a Food Court with selections by famous female chefs. All the proceeds from the event went to support the work of Gillian's Place.

Gillian's Place would like to thank their committee members, sponsors, and their hard-working volunteers who made the concert such a great success.

Gillian's Place is the only organization providing a safe shelter and essential support services for abused women and their children from Grimsby, Lincoln, Niagara-on-the-Lake, St. Catharines, Thorold, and West Lincoln. These essential services include 24-hour support line, safe shelter, safety planning, emotional support, legal advice, and transitional assistance. Gillian's Place also works diligently to provide public education and raise community awareness on the issue of violence against women.
